WORKING TOWARDS ERADICATING OF ILLITERACY IN ESWATINI

Sebenta National Institute is a category “A” Public Enterprise which was established in 1960 to provide Adult Basic Literacy to enable people to achieve personal development. Over the years the Institute has extended its literacy provision to include every Swazi citizen irrespective of age, socio-economic background & disabilities, hence the slogan has changed from “Imfundvo Yalabadzala” to “Imfundvo Yawonkhe wonkhe”.

Mission

A leading basic literacy, non-formal education and vocational skills training provider in the SADC region and beyond.

Vision

All out-of-school children, youth and adults in Eswatini are educated to their satisfaction and potential.

Courses offered by Sebenta:

SiSwati & Numeracy

Duration - 12 Months

The course is designed for those who have never had exposure to formal school system.

Basic English & Numeracy

Duration - 12 Months

This course offers learners the opportunity to learn English as a second language as well as to obtain the ability to read and write Basic English and Numeracy.

Post Basic English & Numeracy

Duration - 12 Months

This course is designed for learners who want to advance their reading and writing skills.

Non-Formal Upper Primary Education (NUPE)

Duration - 24 Months

This programme is meant for learners from 10-18 years, youths and adults who have not had a chance to attend formal education classes or dropped out. at the end of which, learners sit for National Eswatini Primary Certificate Examination (EPC).

Non-formal Primary Education (NPE)

This programme caters for over-aged learners, between 10-18 years, youths and adults who want to continue with primary education and sit for their grade 7 certificate.

Siswati Setfu

This is a 6 months long programme which is designed for non-siswati speaker who want to learn siSwati as a second language. It helps them to acquire basic communication skills in written and spoken siSwati.

Individual Tutoring

We also provide individual tutoring for those who, for whatever reason cannot join group classes.

Vocational Skills Courses

These courses are meant for everyone from Basic Literacy to formal education graduates, professionals and those who could not finish the formal education school programme.
